EE-I DAILY PROGRESS REPORT - THURSDAY, 18 OCTOBER 1951

BCFIEND

The resupply drop to the Pine Tree Team, executed the night of 15/16 October, included 26 containers as well as a W/T operator and W/T helper. Reception and recognition signals were accurate, but the location was moved to lower ground slightly to the northwest of the point agreed upon. Heavy snow cover was the reason for this move. No hostile action was encountered during the flight.

We have received word that there is a possibility of selling the M/V Juanita for \$90,000.
